

The Collier School Song

Our school is Collier
From times past to today
We sing together with one voice
We live the Collier way

In our red and green
We stand so proud and tall
Students, Teachers, Parents,
We show respect to all

Green comes from the trees
Of our beautiful location
Red is for the fire
Of our bright imaginations

Our school is Collier
From times past to today
We sing together with one voice
We live the Collier way

Excelling is our goal
In every trial and test
We know we can get better
When we strive for our best

Our school is Collier
From times past to today
We sing together with one voice
We live the Collier way

Our school is Collier
From times past to today
We sing together with one voice
We live the Collier way

Our school is Collier
From times past to today
We sing together with one voice
We live the Collier way

Lyrics by Como Secondary School students in collaboration with Mrs Fisher Deputy Principal and Year 6/7 (2014) students at Collier Primary School
