

AT COLLIER PRIMARY SCHOOL WE...

CHOOSE KINDNESS

Are helpful and offer to assist others.

Treat ourselves and others with kindness and care.

Model sportsmanship at playtime by taking turns and encouraging others.

Are honest and trustworthy. We admit if we have made an error, reflect on and learn from our mistakes.

Try to develop resilience in all areas of school life. We understand that things won't always go our way, and that's ok.

Celebrate the achievements of ourselves and others.

ACT RESPONSIBLY

Resolve our conflicts positively.

Take care of our personal and the school's belongings. We return and store all equipment safely (see sports equipment guidelines).

Only enter a classroom when a teacher is present.

Walk carefully on concrete surfaces.

Use the toilets responsibly, keeping them clean and tidy.

Follow school ICT guidelines and rules carefully and always protect our personal information.

RESPECT SELF, OTHERS & ENVIRONMENT

Attempt all work to the best of our ability.

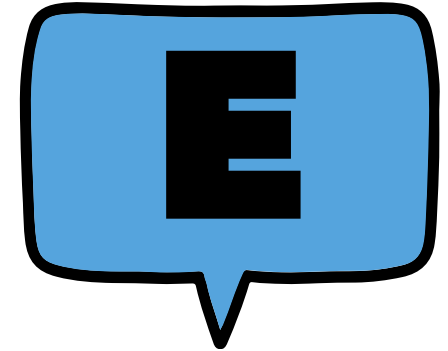

Keep trying, even when things are hard.

Ask for help when we need it.

Set goals for ourselves and work hard to achieve them.

Wear the Collier school uniform with pride, including a hat when we're outside.

Sit and eat in the eating areas at recess and lunchtime.

EXCELLENCE

Use whole body listening and follow instructions the first time.

Speak politely to peers, teachers and visitors to school.

Put rubbish in the bin and recycle.

Wait for our turn to speak and respect other people's opinions.

Line up responsibly in the Undercover Area after break times and always arrive at class on time and ready to learn.

Leave our classrooms neat and tidy each day.
